Dear Sir,

It is my esteemed pleasure to be hosting a seminar that will honor our pioneers of Taekwon Do. As you are well recognized as one of those pioneers that has done so much for Taekwon Do in the early years, and for us here in Canada, it is most appropriate that you are invited as an honoured guest . We are also expecting other Taekwon Do pioneers to attend such as, Grandmaster Choi Chang Keun, Grandmaster Han Sam Soo, and Grandmaster Lee Jun Jae. The seminar will have Grandmaster Park Jong Soo teaching. It will be held at the Guildford Recreation Centre in Surrey, BC. on May 2, 3, and 4th, 2008. On the Saturday evening, we will hold a special banquet in honor of the Taekwon Do pioneers, and on the Monday, we will arrange for the pioneers to get together for a few rounds of golf. This is an opportunity to reunite with some old friends and have a great time.

We would also be thrilled to invite your school to participate in the event, as every Grandmaster has something unique to share, based on their personal history of Taekwon Do. Soon we will be emailing an information package for the benefit of your students that will include all necessary details.

We would appreciate your reply at your earliest convenience so we can go forward with distributing this package. Please R.S.V.P. to legacytkdbc@yahoo.ca

Respectfully,

Peter Clair,
Chief Instructor
